Today we had amazing opening worship from Karen Campbell, where we were astonished to hear that this was in fact General Assembly 2004. GAG requests Karen report to GA on her ground-breaking means of time travel, and on what was so bad in 2004 that it needed time travel to fix, as some (most) of us weren't born at the time.

GAG is intrigued by the new carpet in the meeting hall, and proposes similar carpets be installed at church house. We describe this style as 'Bus seat chic'. Some samples above.

However, we are aware that concerns about the carpet were raised regarding the inclusivity of the carpets for those with sensory issues. Sam Richards issued a
